Patchwork Perfection

Classic beauty meets modern precut precision in our retro re-make of an antique heirloom. Your choice of six size options makes this a versatile project — full of timeless appeal.

Patchwork Perfection was designed by Heidi Kaisand — the new Editor of American Quilt Retailer. Heidi also runs an awesome quilt shop called [Hen & Chicks Studio](#) in Conrad, Iowa and hosts a weekly [radio show](#) about the many facets of creativity.

The inspiration quilt (*pictured left*) for our pattern this month is an antique Nine Patch on point from Heidi's private collection.

Everyone who has subscribed to or purchased a copy of this issue is welcome to download a copy of the pattern PDF to use in their shop.

2. Moda Fabrics – 30's Playtime Favorites by Chloe's Closet
3. Marcus Fabrics – Aunt Grace Simpler Sampler by Judie Rothermel
