

WE ♥ QUILT SHOPS | AMERICAN PATCHWORK & quilting

American Patchwork & Quilting supports quilt shops!

- *Quilts and More* features simple, fresh, and fun projects that quilt shop owners tell us is a great tool for teaching classes.
- For 23 years *Quilt Sampler* has featured independent quilt shops. It's the only consumer magazine that supports independent, brick and mortar quilt shops by featuring them in a magazine devoted to them.
- More than 1,300 independent quilt shops sell our magazines in their stores.
- The 1 Million Pillowcase Challenge is a free program offered to quilt shops. The program drives traffic to the store and helps encourage the next generation of quilters.

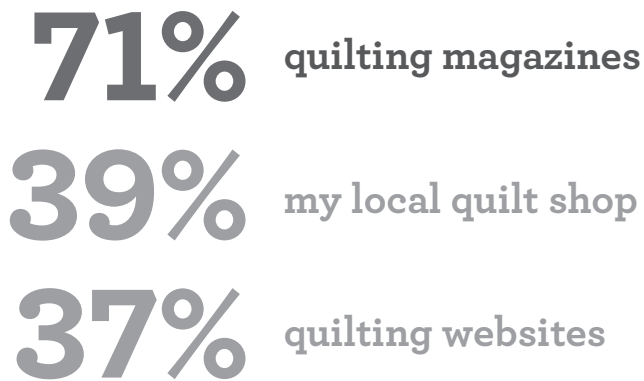

Stop by booth 1208 to see Nancy Singh. See how you can carry our magazines in your shop, nominate yourself to be in *Quilt Sampler*, and make your own magazine cover!
