Roxanne Glue Stick

Roxanne Glue Stick is the latest innovation from Colonial Needle, perfect for quilting, sewing, and other fabric crafts. Use it instead of pins to baste a binding, tack a trim, hold a hem in place for sewing, and more.

Compared to some other glue sticks, **Roxanne Glue Stick** applies smoothly with no clumping or mess. It dries fast, clear, and flexible, and holds firmly until moistened or washed.

The unique glue formula of **Roxanne Glue Stick** is 100% pH neutral, water soluble, odorless, acid-free, non-toxic, and latex free.

For **Roxanne Glue Stick**, call your notions distributor or contact Colonial Needle Company toll free 800-9-NEEDLE or visit www.colonialneedle.com.
