socks on Social
Media! Use
#santasocks

This project is great for beginners and seasoned veterans alike!

We finish our "socks" with a french seam that is fun as well as quick! This is a technique that you might want to transfer to other small sewn items.

Feature a block that you like to further customize this project!

Add some applique or embroidery - have a Santa Sock Contest!

Decorative stitches and funky threads will add another dimension to your socks.

Most of all - have fun and get inspired!
